Dear Mr. Booher,

I very much appreciate your kind letter and the magnificent prints you so kindly sent me.

The trip to the War College was most enjoyable and I was delighted to see the happy mix of civilians and students in the class. They were a very kind audience.

If and when I get to Fort Knox, I look forward to the opportunity of thanking you personally — in Louisville.

With every good wish,

Faithfully,

Vernon A. Walters

Dear Lt General Walters

It was our honour and privilege to attend the War College and to hear your briefing and question and answer period.

It is doubly great you could find the time to come and visit with the students, and civilians in the class.

If you have the occasion to visit Fort Knox, we would deem it a pleasure and privilege to have you visit our great city of Louisville.

Respectfully

  
James K Booher
